COPYRIGHT
OWNERSHIP

In accordance with copyright law, all photo images listed above are protected by copyrights which are owned solely by the Photographer, Eric Taylor, who retains all rights. As copyright owner, only he may license or otherwise permit others to use the photographic images.

LICENSED USE

The Photographer hereby licenses The Bozzuto Group and its agents to use the images as follows: **inclusion in marketing materials for the property listed above, for the current owner only.**

TRANSFER OF USE

The Client may not transfer these images by any method for use by others, including building tenants. If the property is sold, use of these images may not be transferred to the purchaser of the property. If the purchaser wishes to use the images in any way, they must make arrangements with the photographer to license such use. Please refer any other interested parties (architects, contractors, subcontractors, interior designers, engineers, etc.) to me for licensing.

NOTICE OF
COPYRIGHT

It is requested that Notice of Copyright accompany these images when incorporated in any printed or digital document.
Notice to read "Photos © Eric Taylor, EricTaylorPhoto.com".

OTHER APPROVALS

Approval of others may be required before publishing photographs of certain buildings, projects or individuals. While the Photographer knows of no restrictions pertaining to the subjects depicted in these images, his authorization to use these images applies only to his copyright claims. The Client assumes the responsibility of obtaining any other approvals that may be required.
